RECORDS REQUESTED: Please identify each of the documents that are subject to this request with sufficient specificity so we can ascertain whether we have these documents and how to locate them.

I affirm that I am a US Citizen and a resident in the Commonwealth of Pennsylvania. The scope of my request cannot fit inside of this form and the request is attached.

To the extent that this request seeks or may be construed to seek Pennsylvania State Police records involving covert law enforcement investigations, including intelligence gathering and analysis, the Department can neither confirm, nor deny the existence of such records without risk of compromising investigations and imperiling individuals. UNDER NO CIRCUMSTANCES, therefore, should the Department's response to this request be interpreted as indicating otherwise. In all events, should such records exist, they are entirely exempt from public disclosure under the Right-to-Know Law, 65 P.S. §§ 67.101-67.3104, and the Criminal History Record Information Act, 18 Pa.C.S. §§ 9101-9183.

Production of requested public records is subject to prepayment of all RTKL fees. For security purposes, this agency will only produce public records in paper format, unless the records exclusively exist in another medium.

RIGHT-TO-KNOW LAW REQUEST

Subject

Targeted Communications Concerning John Ryan Miller, Octorara Area School District, Anthony Falgiatore, and Related Interagency Activity

Pursuant to Pennsylvania's Right-to-Know Law, 65 P.S. §§ 67.101 et seq., I respectfully request access to the specifically identified existing records below.

Defined Time Period

January 1, 2021 through June 30, 2025.

Defined Subject Matter

For purposes of this Request, the Defined Subject Matter means the specifically identified communications and records described in Categories 1–8 concerning one or more of the following:

1. John Ryan Miller's anticipated or actual attendance at Octorara Area School District property or public meetings, including governmental or law-enforcement planning concerning his attendance, participation, removal, exclusion, or potential return;
2. communications originally sent by Miller to Chester County governmental or law-enforcement personnel concerning Octorara Area School District and subsequently received, forwarded, disseminated, or discussed by PSP;
3. any law-enforcement alert, notification, bulletin, BOLO, request for notification or contact, or similar communication concerning Miller and Octorara Area School District;
4. communications between PSP and Chester County governmental or law-enforcement personnel concerning Miller before, during, or following PSP interactions with Miller associated with Octorara Area School District;
5. PSP interactions involving Miller associated with Octorara Area School District, including planning preceding the March 2022 events, the March 2022 vehicle stop and removal from an Octorara public meeting, and subsequent enforcement activity;
6. Anthony Falgiatore's anticipated, potential, or actual participation, cooperation, availability, or testimony as a witness in criminal proceedings involving Miller;

7. allegations or reports of intimidation, interference, pressure, retaliation, discouragement, or other conduct potentially affecting Falgiatore's participation or cooperation as a witness;
8. PSP investigative activity concerning the specifically identified matters above;
9. information, evidence, recordings, documents, statements, referrals, or investigative materials transmitted to or from PSP concerning the specifically identified matters above; and
10. governmental communications concerning Falgiatore's potential participation, cooperation, availability, or testimony in Miller's criminal proceedings.

The Defined Subject Matter limits the records requested. This Request does not seek all PSP records concerning Miller, Falgiatore, or Octorara Area School District.

Category 1 — PSP ↔ East Whiteland Township

Existing communications during the Defined Time Period concerning the Defined Subject Matter between PSP personnel and:

- East Whiteland Township Police Chief Yeager;
- East Whiteland Township Police Lieutenant Kopacz;
- other East Whiteland Township Police supervisory or administrative personnel whose communications concern the Defined Subject Matter;
- the East Whiteland Township Board of Supervisors or an individual Supervisor acting in that capacity; or

- another Chester County prosecutor, detective, investigator, or supervisory employee whose communications with PSP concern the Defined Subject Matter.

This Category includes:

1. requests, referrals, instructions, investigative requests, requests for additional investigation, and transmissions of information concerning the Defined Subject Matter;
2. communications concerning the receipt, forwarding, dissemination, or distribution to PSP of communications originally sent by Miller to the Chester County District Attorney's Office or Chester County Detectives concerning Octorara Area School District;
3. communications concerning material distributed by Chester County Detectives to Chester County law-enforcement agencies concerning Miller and Octorara Area School District; and

4. any BOLO, law-enforcement notification, request for notification or contact, or similar communication concerning Miller and Octorara Area School District transmitted to, received by, or discussed with PSP.

Category 6 — PSP ↔ Defense Counsel

Existing communications during the Defined Time Period concerning the Defined Subject Matter between PSP personnel and:

- the Chester County Public Defender's Office;
- Lawrence Harmelin, in his capacity as legal counsel for John Ryan Miller; or
- other counsel representing Miller during the Defined Time Period.

This Category includes communications concerning Miller, Octorara Area School District, Anthony Falgiatore, potential or anticipated witness testimony, reported witness interference or intimidation, evidence supplied to PSP, or investigative activity concerning the Defined Subject Matter.

Category 7 — Identity, Residential Address, and Identifying Information

Existing communications and records during the Defined Time Period documenting the transmission, disclosure, confirmation, verification, or receipt of Miller's residential address or other identifying information between PSP personnel and Octorara Area School District officials, administrators, employees, Board members, security personnel, or legal representatives.

This Category includes:

1. communications in which PSP provided, transmitted, confirmed, corrected, or discussed a residential address believed to be associated with Miller;
2. communications in which Octorara Area School District requested from PSP, or PSP provided to the District, information used to identify Miller or determine his residential address;
3. communications documenting the source of residential-address or identifying information concerning Miller that PSP subsequently transmitted to or confirmed for Octorara Area School District;
4. communications concerning Miller's identity following the March 14, 2022 vehicle stop, including transmission to Octorara Area School District of his name, residential address, date of birth, driver's-license information, vehicle-registration information, photograph, or other identifying information;

5. communications concerning the preparation, addressing, mailing, service, delivery, or attempted delivery of the March 23, 2022 Defiant Trespass Letter that identify, discuss, verify, or concern the residential address used for that notice;
6. communications concerning uncertainty, verification, distinction, or reconciliation of Miller's identity with another individual having the same or similar identifying information; and
7. existing records documenting any disclosure by PSP to Octorara Area School District of Miller's residential address or other identifying information used to identify the intended recipient of the March 23, 2022 Defiant Trespass Letter.

This Category does not request disclosure of another individual's protected personal identifying information.

Category 8 — Witness-Related Information and Communications

Existing records during the Defined Time Period documenting the transmission, disclosure, referral, forwarding, receipt, acknowledgment, or other communication by or with PSP concerning Anthony Falgiatore, potential witness intimidation or interference, or conduct potentially affecting Falgiatore's participation, cooperation, availability, or testimony, to or from:

- the Chester County District Attorney's Office;
- the Chester County District Attorney;
- an Assistant District Attorney;
- Chester County Detectives;
- the Chester County Public Defender's Office;
- Lawrence Harmelin in his capacity as counsel for Miller; or
- other counsel representing Miller during the Defined Time Period.

This Category includes:

1. emails, correspondence, transmittal communications, referrals, memoranda, routing records, case-management entries, or other existing records documenting transmission or referral of witness-related information;
2. records documenting transmission, referral, or provision of information, evidence, investigative material, witness information, recordings, statements, reports, or findings concerning the identified witness-related subject matter;
3. communications acknowledging receipt of such information by a prosecutor, detective, defense attorney, or other identified recipient;
4. communications requesting that PSP provide, supplement, investigate, preserve, transmit, or further develop information concerning Falgiatore or reported witness intimidation or interference;

5. records documenting subsequent transmission, referral, supplementation, or communication of additional information concerning the same subject; and
6. communications concerning the existence, availability, preservation, transmission, receipt, or handling of such information.

This Category does not ask PSP to determine whether any responsive information constituted evidence required to be disclosed pursuant to *Brady v. Maryland*, *Giglio v. United States*, Pennsylvania Rule of Criminal Procedure 573, or another criminal-discovery authority.

Records Included

For Categories 1–7, responsive communications and records include existing:

- emails and responsive attachments;
- letters and correspondence;
- memoranda;
- electronic or internal messages;
- records memorializing telephone conversations or meetings;
- referrals and transmittal correspondence;
- case-management entries documenting communications;
- routing, forwarding, receipt, or transmission records; and
- other existing records memorializing communications between the identified persons or entities.

A record is not requested merely because it falls within the Defined Time Period or mentions an identified person or entity.

Scope Clarification

The Categories above are separately enumerated. Duplicate copies of the same responsive record are not requested.

This Request is not limited to General Offense Reports, incident reports, investigative reports, or records formally incorporated into an investigative file.

Names identify persons and communication pathways and do not require a literal full-name keyword match. The Defined Subject Matter limits the Request but does not require any particular word or phrase to appear in a responsive record.

Where a responsive communication contains an attachment, the attachment is requested if it concerns the Defined Subject Matter or is necessary to understand the responsive communication.

This Request seeks existing records and does not require PSP to create a chronology, explanation, index, report, or other record.

If a responsive record or portion is withheld, Requester respectfully requests identification of the statutory basis relied upon and production of any public portion required to be produced under the RTKL.

Please make clear the disposition of each separately enumerated Category.

Administrative Review Period

Requester recognizes that this Request encompasses multiple specifically identified categories, communication pathways, and potential custodians. In consideration of the scope of the Request, Requester will not object to PSP taking an additional thirty (30) calendar days to conduct its search, review responsive records, and prepare its response.

Electronic Production

Please provide responsive public records electronically.

Respectfully,

John Ryan Miller
